OUR DREAM

- To establish a unique identity in the emerging global village.

OUR VISION

- To contribute to the societal enrichment through quality education, innovation and value augmentation.

OUR MISSION

- To build up a competitive edge amongst the students by fostering a stimulating learning environment.

OBJECTIVES / GOALS:

- To focus on integral development of students.
- To offer courses and programs in tune with changing trends in the society as a whole.
- To update the curriculum as per the need of the business and industry.
- To create unique identity in the educational world at the national as well as international level.
- To institutionalize quality in imparting education.
- To incorporate innovations on a continuous basis in the entire process of education at institutional level.
- To create platform for the students for exhibiting their talent and for development of their potentials.
- To generate stimulating learning environment for students as well as teachers.
- To build cutting edge amongst the students to withstand and grow in the competitive environment at the global level.

Kronikle Editors

*Where the mind is without fear
and the head is held high;
Where knowledge is free;
Where the world has not been
broken up into fragments by narrow
domestic walls;
Where words come out from
the depth of truth;
Where tireless striving stretches its
arms towards perfection;
Where the clear stream of reason
has not lost its way into the dreary
desert sand of dead habit;
Where the mind is led forward by
thee into ever-widening thought and
action...
Into that heaven of freedom,
my Father, let my country awake.*
